

PRESS RELEASE: July 2018

Bankstone victorious after insurance firms compete in 6 hour endurance race

The cream of the insurance industry came together on **Tuesday 26th June** with 16 teams facing off at **Insurance Endurance 2018**, a 6 hour endurance karting race taking place at **Kart PFI Racetrack** near Grantham, the UK's largest outdoor karting circuit.

Congratulations go to professional insurance claims handlers **Bankstone** who claimed the top podium position in an enthralling race that saw them tussle and trade places with 2017 winners **LAMP Champs** throughout the afternoon. With LAMP Champs finishing just 56.77 seconds behind first place, third place went to a well deserving **Racerblue**, from IT solutions business **Razorblue**.

Other special mentions go to claims management and insurance solutions provider **Coplus** who set the fastest lap time of the day not once, but twice, at a speedy 1:10:11, clocking in at 44.10mph just 14 laps into the race and again later in the day as the clock ticked down. **Plantec Assist** were crowned winners of the **Pit Stop Challenge** changing all four tyres on a Formula 1 car in a staggering 10.9 seconds.

More than a great day out and networking opportunity, Insurance Endurance 2018 helped raise funds for The Insurance Charities, who help support insurance employees and their dependants in the UK and Ireland, offering over £1.2 million of help to insurance people in need last year alone.

In addition to online donations from **Abbey Legal, Chief Vehicle Rentals, Coplus, Fish Insurance, NCI Insurance** and **Razorblue**, generous raffle donations on the day **raised a combined total of £1,005** for The Insurance Charities.

Insurance Endurance will return to **Kart PFI Racetrack** next year on **Tuesday 25th June 2019** with registration now open. With any companies or individuals working in or around the UK insurance market eligible, anybody who signs up by **Friday 6th July** will be automatically entered into a prize draw to win a track day for two at Kart PFI Racetrack.

To register for next year's event and for further information visit www.insuranceendurance.co.uk
